IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.30945 of 2008
LALA PASWAN
Versus

STATE OF BIHAR
- - - -

3. 8.8.2008 Heard.

Let the petitioner approach the lower court first and then, if so requires, approach this Court. The lower court has to put down the reasons for not expediting the trial and concluding it including the impediments which might be faced by it in disposal of the case. The petitioner is in custody since 11.4.2007 and this Court believes that the lower court is alike to that situation as well.

The petition is dismissed with the above observation.
